

Peintures Paintings

Je travaille beaucoup en ce moment
mais je détruis beaucoup de ce que je
fais. Le printemps me fait
renaitre comme un mort devenu
vivant et le changement crée
une sensation qui est à la fois
conducive à la peinture et trop
extreme.

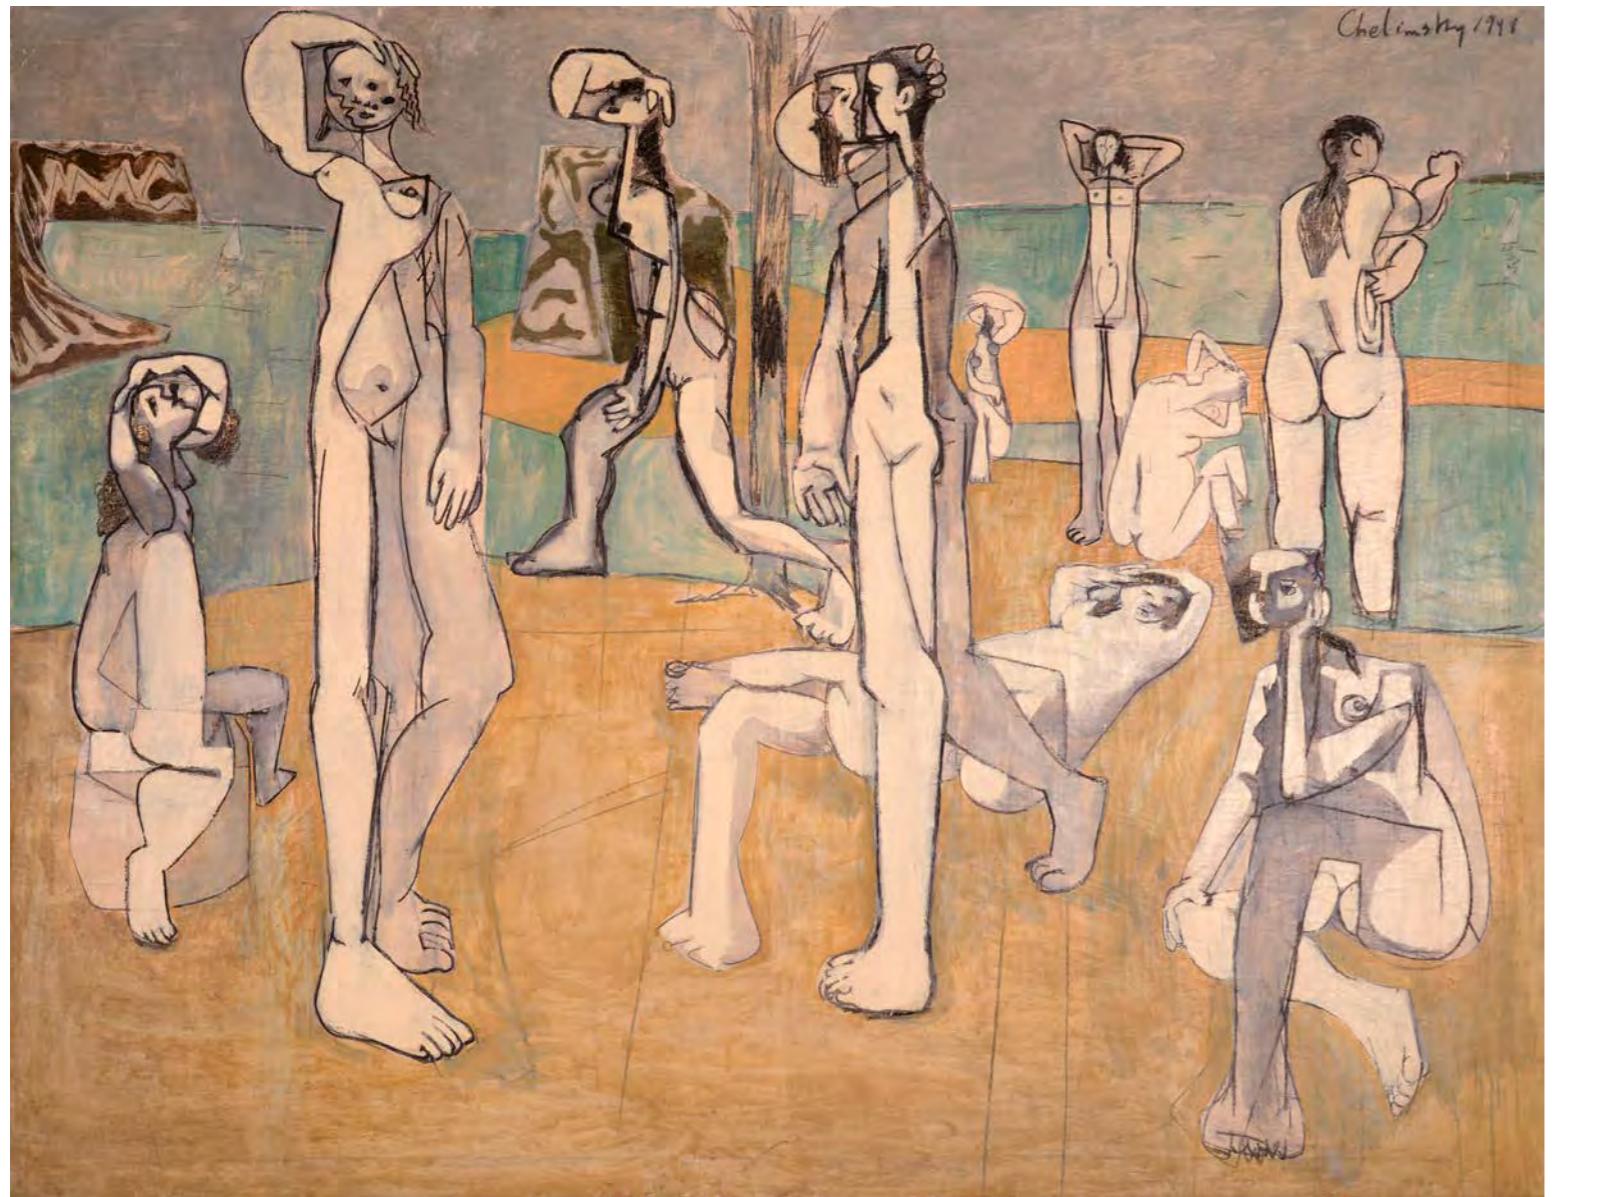

"I am working a lot right now, but I am destroying a lot of what I am doing.

*Spring makes me stir like a dead man come alive,
and the change creates a sensation that is both conducive to painting and too extreme".*

Œuvres sur papier Works on paper

A major preoccupation of mine as a painter
has been to conciliate total liberty of expression
and absolute form, which is to say,
to reconcile irreconcilables.

« L'une de mes principales préoccupations en tant que peintre a été de concilier une liberté d'expression totale et une forme absolue, c'est-à-dire de réconcilier des éléments inconciliabes. »
